

The image shows a Windows-style dialog box titled "Estimate Print Options" with a blue title bar and a close button (X) in the top right corner. The dialog has a light beige background. It contains several checkboxes and two dropdown menus. The checkboxes are arranged in two columns: "Show Item Descriptions" (checked), "Hide Prices" (unchecked), "Show Notes for Groups" (unchecked), "Show Notes for Items" (unchecked), "Total Item Quantities Across Groups" (unchecked), "Summary of Quantities by Item and Group" (unchecked), "Show Inactive Price Bases" (checked), and "No Page Breaks Within Items" (unchecked). Below these is a dropdown menu labeled "Show Price Bases Details:" with "None" selected. Underneath is a "Report Alignment" section with a group box containing four radio buttons: "Portrait" (checked), "Align Left" (unchecked), "Align Center" (checked), and "Align Right" (unchecked). Below the radio buttons is a "Landscape" checkbox (unchecked). At the bottom is another dropdown menu labeled "Select Customized Report:" with "None" selected. In the bottom right corner are "OK" and "Cancel" buttons.
